Your druggist sells a tiny bottle of Freestone for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, with soreness or irritation.

# TAFVILLE ADDS \$356.75 TOWNSHIP RELIEF

Encouraging reports continue to be turned in by the canvassers for the Irish relief in Ireland, and everywhere they are meeting with a hearty and generous response. Contributions from the towns of Taftville, and several prominent citizens having contributed sums of the larger denomination. Hardly a refusal has been met with by any of the canvassers, which the committee feels is an indication that everyone in Norwich and vicinity is in accord with the purpose of this drive.

In Taftville the drive is under the leadership of T. J. Broderick on Sunday turned over a total of \$356.75 and expects to more than double this amount within the next few days. The report from the Taftville district is as follows:

Taftville District—Leader, T. J. Broderick; Mrs. William Malone and Mrs. Paquette \$45; Miss K. Daly and Miss N. Murphy \$15; Miss K. Pittman and Miss R. Gaudette \$7.50; Miss K. Murphy and Miss Marion \$27.45; Miss L. White and Miss L. Lambert \$20; Miss R. Roach and Mrs. Allard \$55; Miss K. Malone and Miss A. LeClair \$5; Miss M. Hanlon and Miss V. Sullivan \$5.65; Miss Agnes Dougherty \$15.35; Mrs. M. O. Prohaska and Mrs. C. J. 4.75; Mrs. H. Savage and Miss V. Goyette \$31.85, total \$356.75.

The following letter of encouragement will be sent out by local Chairman John J. Corkery to his district leaders: Dear Leader:—We are urging all of our leaders to continue the intensity of our campaign. We have begun so well for a few days longer.

The closed canvass will end Tuesday night, and the open canvass of the towns will begin Wednesday morning. We feel that there are still many people in our community who have not as yet added their name to our roll. We are anxious that every person in our community be seen and given an opportunity to contribute to the worthy cause for which we are all giving of our time and of our money.

We intend at this time to have another meeting Sunday, March 27, in T. A. B. hall, and we want to reach the climax of our campaign. We are sure that we are receiving the same favorable reports that have come to us from the very first day of our canvass.

We want you to start from the receipt of this letter to enthrone your workers with that enthusiasm you yourself have shown from the very beginning of this splendid effort. We are endeavoring to

go over the quota that has been assigned to our town, and it is only by the hardest kind of work during the next few days that we can reach the mark we now aim at.

Trusting that your future report will be in keeping with what has gone before, I remain,

Yours very truly,

T. J. CORKERY, Chairman Local Committee.

Not only do local reports show a generous response to the appeal for the Irish relief, but the reports from the state committee also sound the note of encouragement, as Thomas L. Reilly, state chairman of the drive, has said in letters to the district chairmen.

To stimulate the drive, the Bridgeport committee is having a medal struck off which will be awarded to the city having the largest sum for the relief work.

The following letter has been received by Mr. Corkery explaining the medal:

New Haven, March 19, 1931.

J. J. Corkery, Norwich, Conn.:

My dear Mr. Corkery: In commemoration of the wonderful start given to the Bridgeport campaign at a recent dinner in honor of Rt. Rev. J. G. Murray of Hartford, at which time the sum of \$10,000 was raised, Bridgeport is having a medal struck off which is to be given to the city in Connecticut raising the largest sum for the cause of relief in Ireland.

You will appreciate that for propaganda purposes and the creation of a feeling of rivalry it is very essential that this office be daily advised of your progress in order that we may keep Bridgeport posted.

I trust that you will co-operate in this matter.

Very sincerely,

THOMAS L. REILLY, State Chairman.

By R. W. WELLS, State Director.

The campaign is to continue until the first of April and everyone in the city will be confined to their own territory until Wednesday, when the city will be divided into districts for the purpose of canvassing.

The Laurel Hill district, which has not before been mentioned, is canvassed by the following: Mrs. James L. Crawford, Mrs. John L. Counihan, Mrs. Charles Woodman, Miss Margaret Connell and Miss Constance Lane.

# LOCATES CONTENTED MAN

A wealthy New York summer visitor and a writer went around the village of Noank, looking for a contented man, but pencil in hand ready to jot down the name of one whose mien would call a contented man. Impulsively and many times that day, the writer exclaimed to himself, "I have found him!" The writer heard this answer as he traveled up to Noank, where Captain Potter met the captain and came to the shore at the Noank wharf, where the writer had said was absolutely correct. Later the New York writer inspected the captain's strange summer home, on the shore of the Noank river, as old as ever. The writer described the old wharf with the imposing name of Beahm. The foundation of this not without the number of cottages at Noank. Potter, after some pleasure trips between New York and Noank, has been in Noank for several years. The writer has added successively a kitchen, dining room and sleeping rooms, as well as a bathroom, and the writer is now a contented man.

It is surely a quaint, queer retreat, which can shelter nine persons in comfort for the summer. The writer has added an attic into which the writer is now a contented man. The writer has added a kitchen, dining room and sleeping rooms, as well as a bathroom, and the writer is now a contented man.

# BISHOP NILAN ISSUES

Bishop Nilan, in his clerical letter to the pastor of his diocese on the subject of the Easter collection for diocesan purposes, says last year's collection amounted to \$58,195.50, an increase of \$11,635.25 over the collection of 1917. The bishop continues: "The chief items of expense were as follows: Dependent children, \$12,670.12; dependent aged and blind, \$840; deaf-mutes, \$1,000; social services bureau, \$4,600; St. Thomas' seminary, \$10,000; House of Good Shepherd, \$5,000; Little Sisters of the Poor, \$5,000; balance for an addition to St. Agnes' home, \$12,803.31. The need of more space at St. Agnes' home is especially urgent. Since the home was opened six years ago 1,400 children have been received and 800 placed out. For the past five years the number of children placed out has been necessarily involves an increase in every department, particularly in the training school for nurses.

During the past year 100 children between the ages of five and 10 years have been under the care of the Sisters of St. Joseph at St. John's school in Deep River. The number of children placed out has been necessarily involves an increase in every department, particularly in the training school for nurses.

The expectation is that the hearing next week will bring out an even larger number than crowded to the capitol at the first hearing, which resulted in the original bill being sidetracked.

Christian Scientists are brought under the provisions of the substitute bill as they were not under the original bill, and it is expected that they will line up to force with the opposition. While there have been some modifications of the original bill, the changes from the point of view of the objecting practitioners by no means remove the basic objections. The substitute bill would put the Christian Scientists under the domination of the medical society men, the objectors point out, and it is this above all that they are preparing to fight at the hearing.
